Dear Robert,

I wanted to take the time to express my total satisfaction with work performed by your staff in wiring our new corporate offices in Doral.

Starboard Cruise Services moved approximately 150 employees to a new office space. This letter is being written to compliment and thank TCS for the excellent work they performed.

The TCS employees conducted themselves in a professional manner and were very dedicated to finishing the project completely and in a timely manner. We have not encountered any cabling issues and are willing to recommend TCS to anyone who might have cabling needs.

Thanks Again,

Frank Menchero  
Director of IT Starboard Cruise Services
