Dear Francisco:

On behalf of all of us at Courchene Development Corporation I would like to thank you for your service and professionalism over the past five years.

We first met you when your company was Inteletek and you were part of the team that provided us with direction in designing, purchasing and setting up our network computer system. You have always been available when we needed service or to simply answer our questions. This support and service have resulted in practically no downtime.

It is a pleasure to work with you; your knowledge combined with an outgoing and friendly manner is greatly appreciated by all here at Courchene. We look forward to a long and mutually rewarding relationship.

Again thanks to you and your support team.

Sincerely,

Courchene Development Corporation
